Assessments

Reliable. Individualized. Automated.
Istation automatically monitors students on a monthly basis. Computer-adaptive testing allows students to be assessed in about 30 minutes.

*let us
save you
time*

Instruction

Differentiated. Engaging. Motivational.
Students are automatically placed on an individualized learning path based on testing. Engaging and interactive characters deliver instruction.

*let
inspiration
begin*

Istation is your
solution for
Utah's
literacy initiative

Teacher Tools

Varied. Targeted. Flexible.
Instant access to over 2,000 Teacher-Directed Lessons provides all the necessary materials educators need to instruct whole or small groups.

*start
building
your lessons*

Reports

Detailed. Insightful. Real-Time.
Real-time reporting gives teachers, administrators and district-level personnel access to accurate and timely data.

*get the
data
you need*
